

Aspiring entry-level full-stack developer, motivated and enthusiastic about applying my technical skills in software development and debugging. My ultimate aim is to assist the team in achieving their goals by creating quality and reliable software solutions.

## SKILLS

- **Communication:** Clear and concise communicator, adept at conveying complex technical ideas to diverse audiences, fostering collaboration within cross-functional teams.
- **Problem-solving:** Strong analytical skills, excelling in resolving challenges within software development to enhance project efficiency.
- **Collaboration:** Collaborative team player, valuing diverse perspectives and contributing to a positive work environment to achieve collective goals.
- **Time Management:** Proven ability to manage time effectively, set realistic deadlines, and consistently meet project milestones for timely software delivery.

**Languages:** Javascript, HTML, CSS, SASS, SQL, EJS, TypeScript

**Frameworks & Libraries:** NodeJS, React, Axios/Ajax, Express, EJS, jQuery, NextJS, Tailwind CSS

**Systems & Database:** PostgreSQL, Prisma, Git, GitHub, Command Line

**Testing:** Jest, Mocha, Chai, Storybook, Cypress

**Software:** Photoshop, Lightroom, After Effects, Premier Pro, Figma, Blender

## PROJECTS

### [Movie Hub](#) - Full Stack

October 2023 - In Progress

A movie & TV show tracker. Leave reviews and ratings on TV shows & movies, check what platform they are being streamed on

**Stack:** NextJS, JavaScript, SASS, Axios, NodeJS, Express.js, Postgres & Prisma.

### [Pomodoro](#) - Front-end

October 2023 - November 2023

Pomodoro Study Timer that allows for custom breaks and timers.

**Stack:** React, JavaScript, Tailwind CSS

### [Scheduler](#) - Front-end

February 2023 - March 2023

Interview Scheduler is a single-page application (SPA) using React that allows users to book technical interviews between students and mentors.

**Stack:** ReactJS, SCSS, Axios

## EDUCATION

Lighthouse Labs - Web Development Diploma

October 2022 - May 2023

## PROFESSIONAL EXPERIENCE

### Creative Director | Freelance

September 2021 - Current

- Developed and executed the creative vision for various artists by developing innovative strategies to create compelling creative content.
- Managed a team of individuals by providing direction, feedback, and guidance on creative projects and ensuring that all work was completed on time and within budget.
- Ensured that all creative content was aligned with the overall brand and messaging by collaborating with graphic designers, videographers, stylists, etc.

### Photographer/Videographer | Freelance

March 2022 - May 2022

- Captured and edited visual content, including photos, videos, and graphics, for use in various mediums such as websites, social media, and marketing materials.
- Collaborated with clients to understand their vision and goals and developed a strategy for capturing and creating.
- Developed marketing materials that effectively reached the targeted audience and conveyed the client's brand.
