### PROFESSIONAL EXPERIENCE

#### Photographer/Videographer

Freelance

09/2016 – present | Toronto, Canada

- **Capture and edit visual content:** Capture and edit visual content, including photos, videos, and graphics, for use in various mediums such as websites, social media, and marketing materials.
- **Collaborate with clients:** Collaborate with clients to understand their vision and goals, and then develop a strategy for capturing and creating
- **Design and produce marketing materials:** I was also responsible for designing and producing marketing materials, such press kits, and other promotional materials. This includes selecting and editing visual content, as well as creating layout and design elements that effectively convey the client's message and brand identity.

#### Electrician

Riverline Group Inc.

02/2018 – 01/2023 | Toronto, Canada

- **Strong Problem-Solving Abilities:** honed my problem-solving skills, enabling me to identify and resolve complex electrical issues efficiently.
- **Attention to Detail:** developed a keen eye for detail, ensuring the precision and safety of electrical installations.
- **Communication and Collaboration:** collaborated with diverse teams and communicated effectively with clients to ensure projects met their requirements.
